## Community Eligibility Provision

August 2023

Dear Parent or Guardian:

We are pleased to inform you that Ashtabula Area City Schools will once again, be offering to schools participating in the National School Lunch and School Breakfast Program's the Community Eligibility Provision (CEP) for School Year 2023-2024.

What does this mean for you and your child(ren)?

Great news for you and your student! All enrolled students of Ashtabula Area City Schools are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day of the 2023-2024 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a Free and Reduced Lunch Application. However, in order to be able to receive the meal at no cost, the minimum components must be taken, including a fruit or veggie serving.

Please keep in mind that if your child carries over a negative balance they will not be able to purchase extra items or snacks, until this negative balance is paid in full.

If I can be of any further assistance, please contact JoEll Rapose, Nutrition Services Supervisor at 440-993-2490.

Sincerely,

JoEll Rapose
